

An exclusive aspect of the Assured Performance program is that participating shops gain rebates from numerous vendors. The Assured Performance Co-Op allows the shops to leverage their collective group buying power of to gain best pricing and rebates. All purchasing decisions are optional, but many are obvious such as the "100% Write" rewards program for rebates on their OEM part purchases when they repair a vehicle using 100% OEM collision parts. These rewards and others from numerous vendors add up to tens of thousands of dollars for the participating shops and help fund a wide variety of marketing and business development needs.
