

DO YOU HAVE WHAT IT TAKES?

Technical Capability

Y N

- ☐ ☐ 1. I-CAR Gold Class
- ☐ ☐ 2. A frame rack or bench, and vehicle anchoring/pulling equipment capable of producing body and structural pulls
- ☐ ☐ 3. A three-dimensional measuring system, dedicated holding and fixturing system, or universal holding and fixturing system
- ☐ ☐ 4. Current data subscription for measuring system or proof of required fixtures
- ☐ ☐ 5. Proper proof of technical training to operate the measuring equipment being utilized
- ☐ ☐ 6. A 220 Volt, 3-Phase Inverter-Type (or functionally equivalent Hybrid) - Squeeze-type Resistance Spot Welder (STRSW) capable of producing a minimum of 600 lbf (270 daN) of clamping force and 10,000 amps of current at the electrodes
- ☐ ☐ 7. A 220-volt MIG/MAG welder for steel fusion
- ☐ ☐ 8. An R134a refrigerant recovery/recycling system or proof of qualified sublet A/C service provider
- ☐ ☐ 9. Proof of EPA Section 609 refrigerant recovery compliance
- ☐ ☐ 10. Ability to conduct and verify four-wheel alignment either in-house or through a sublet provider
- ☐ ☐ 11. The ability to remove, replace, and reinstall steering and suspension components, as well as engine and drive train units
- ☐ ☐ 12. The ability to service both active and passive restraint systems
- ☐ ☐ 13. An electronic p-page logic estimating system
- ☐ ☐ 14. A spray enclosure (paint booth) with forced drying capabilities
- ☐ ☐ 15. An OEM approved refinishing system
- ☐ ☐ 16. Proof of product training from an OEM approved paint manufacturer
- ☐ ☐ 17. Current OEM repair procedure subscription and documented proof of compliance
- ☐ ☐ 18. Above ground lift with a lift capability of at least 7000 lbs.
- ☐ ☐ 19. Pressure-feed corrosion protection material application equipment with wand attachments for applying anti-corrosion materials inside body cavities with a 360 degree spray pattern

Business Requirements

- ☐ ☐ 20. Been in business for a minimum of (5) years, or posses verifiable credit rating and service history
- ☐ ☐ 21. Current Garage Keepers Liability insurance with a minimum of \$1M policy limit
- ☐ ☐ 22. Maintain a Customer Satisfaction Index (CSI) that is measured by a third-party service provider
- ☐ ☐ 23. A preferred rental car provider or complimentary customer transportation
- ☐ ☐ 24. A Limited Lifetime Warranty on completed repairs

Customer Service

Y N

- ☐ ☐ 25. Clean all vehicle interiors and exteriors before delivery to customer
- ☐ ☐ 26. A well-maintained customer parking area that is well-lit
- ☐ ☐ 27. A well-maintained reception, waiting and estimating area, and conveniently located customer restrooms

Regulatory Compliance

- ☐ ☐ 28. Facility Compliance with all STATE Regulatory Agency Requirements (State EPA and OSHA, DHWM, DAPC, etc.)
- ☐ ☐ 29. Facility in compliance with all LOCAL Regulatory Agency Requirements (EPA, OSHA, NFPA, etc.)
- ☐ ☐ 30. Facility in compliance with all NATIONAL Regulatory Agency Requirements (EPA, OSHA, NESHAP, RCRA, etc.)

Aluminum Capabilities (optional)

- ☐ ☐ 31. A work separation system that isolates aluminum vehicles from vehicles undergoing steel repairs – separation can be a separate room or curtain system
- ☐ ☐ 32. A designated set of hand/special tools specifically for aluminum vehicles to prevent from cross contamination with steel body vehicles. The inventory must contain all required hand tools per Ford F-150 CRP
- ☐ ☐ 33. A 220v Pulse MIG welder specifically for aluminum vehicles
- ☐ ☐ 34. A dent extraction system specifically designed for aluminum that contains an aluminum stud welder, heat gun, pyrometer, aluminum hammers, and dent extraction system
- ☐ ☐ 35. A specialized aluminum SPR (Self Piercing Rivet) gun approved by the Ford Paint and Body Technical Center – currently only Electro-Hydraulic (Battery) Henrob and Pro Spot SPR riveters are approved
- ☐ ☐ 36. An Immersion-Type, Wet Mix dust extraction system - The system can be portable or centrally installed system
- ☐ ☐ 37. OPTIONAL - A designated welding fume extraction system
- ☐ ☐ 38. OPTIONAL - Frame Alignment Fixtures - A select number of qualifying frame alignment accessories for the Ford F-150 are available for Chief and Car-O-Liner frame systems
- ☐ ☐ 39. OPTIONAL - Motorcraft Technical Training Collision and Body Shop Essentials
- ☐ ☐ 40. I-CAR FOR06 - 2015 Ford F-150 Structural Repair Training Course
- ☐ ☐ 41. I-CAR WCA03 - Aluminum GMA (MIG) Welding Certification
